**Certificate of Test of Lifting Equipment as required by the Lifting Operations and Lifting
Equipment Regulations 1998 (L.O.L.E.R.), Regulation 9 for and on behalf of:
Oakland Plastics Ltd & Distributors**

TEST CERTIFICATE No: ISI/240623-1

Customer: Oakland Plastics Ltd and Distributors

Address: Station Road, Coleshill, Birmingham. B46 1HT

Item description: 250 litre Uni CL Mortar Tub

Identification number: 84062 - 99000

Location of test if different from above: ISI Test House, Bentley, Warwickshire, CV9 2JR

Nature of test: Application of a static proof load test to twice the safe working load.

Test procedure: Test load applied and released 10 times, then test applied for 1 hour.

Test results: Careful inspection during and thorough examination of the item after the test revealed no evidence of cracking, permanent deformation, paint flaking or any damage which may affect function and safety. No connection has been loosened or been damaged. Deflection returned upon removal of test weight.

Defects noted and alterations or repairs required before item is put into service: None

Notes: The owner/user is required under the Lifting Operations and Lifting Equipment Regulations L.O.L.E.R. 1998 regulation 9 - to ensure the item is LOLER inspected by a 'competent person' at 6 monthly intervals from date of purchase.
For any queries or questions relating to this item, please contact the manufacturer, Oakland Plastics Ltd on 01675 466321

Safe working load: 500 kg

Date of test: 24/06/23

Test Engineer: M Enderby
